

ANN ARBOR PUBLIC SCHOOLS 2010-2011 BUS TRANSPORTATION ROUTES

Please note the schedule reads from left to right in each column. Find your closest stop location, then the bus pick-up time across from it. Bus routes listed are to be used as a general guideline of areas serviced and are subject to change.

Please be aware that changes will not be made to the bus stop schedule during the first two weeks of classes. Students are expected to walk to the closest bus stop to their residence. To be eligible for transportation,

students must reside more than one and one half miles from their school of attendance. All route times given are estimated. Please have your child arrive at the bus stop 10 minutes earlier than the time given until the driver establishes a permanent time.

Kindergarten noon run information is available at your local school office.

For Transportation Information contact your school office, or go to www.aaps.k12.mi.us, "especially for parents"; there you will find information regarding bus stops, safety tips, and bell schedules.
