The Agrarian Adventure garden and greenhouse is an education site created at Tappan Middle School for year-round organic schoolyard food production that engages youth in growing, preparing, and eating healthy foods. All proceeds from this year's Woman's Farm and Garden Association Garden Walk will help fund further development of this educational site to enhance it as a district resource and enable it to become a vibrant field trip and training site for teachers, community members, and students!

The Agrarian Adventure is a local, educational, non-profit organization. To learn more, please visit www.agrarianadventure.org. For more info. about the Garden Walk: www.womansfarmandgarden.org.
