

Officer Training Session

Based on feedback from those of you interested in attending our scheduled officer training but are unable to attend, we will be moving this session to early fall. Some have even suggested an August date prior to the beginning of the school year. All PTOs/PTSOs who have paid their 2009-10 dues and have NOT USED their officer training spot this year will be eligible to use that spot in the following (2010-11) school year. We have maintained an accurate record of this information. We urge all PTOs/PTSOs to plan on paying their 2010-11 dues promptly in order to take advantage of all the training sessions we will offer in 2010-11.

Now is your opportunity to give your input on a late August or an early September session. Please do not include a specific date, just an indication of preference for “before school begins”, or in the first “2 weeks of school”. Also, Please forward to us contact info for your newly-elected officers as soon as your elections take place. Email to ptocExec@gmail.com

The PTO Council Officer Training Session will be a valuable tool appropriate for PTO Council representatives, PTO presidents, vice presidents and other officers who are considering moving into those positions in the subsequent year. Presented by the New Center and Board Connect, the session is custom-designed to specifically meet the needs of non-profits and our PTOs. We have secured a bargain price for this training of \$25 per attendee (after your "one free with dues" has been used). If you sought training of this caliber for your own board officers, the fees could begin at \$75/session and rise from there!
